RE: Docket 24-999-13 - 2024 Universal Service Fund (USF) CAF ICC Review

Dear Mr. Widerburg:

Citizens Telecommunications Company of Utah d/b/a Frontier Communications of Utah (Study Area Code "SAC" 504429) and Navajo Communications Company (SAC 504449) herein after referred to as ("Frontier"), hereby notify the Public Service Commission of Utah ("Utah PSC") that Frontier submitted its annual reports with the Universal Service Administrative Company ("USAC") on June 25, 2024 in compliance with 47 CFR § 54.313 and 47 CFR § 54.422.

These filings are now provided to USAC through their online "E-File" portal and are available to state commissions through the portal. State commissions can contact USAC for additional information on obtaining FCC Form 481 information from the portal.

Please note, as of January 1, 2022, Frontier is no longer receiving federal high-cost support for these study areas but will likely continue receiving federal Lifeline support.

Frontier requests the Utah PSC to file the annual certification regarding federal high-cost support with USAC and the FCC, pursuant to 47 CFR 54.314(a).

Any questions or notifications pertaining to this filing should be directed to me at 972-908-4415 or by email at [kimberly.a.douglass@ftr.com](mailto:kimberly.a.douglass@ftr.com).

Sincerely,

Kim Douglass  
Regulatory Reporting Manager
