Re: Notice of Non-Competitive Procurement with Oracle America Inc

Dear Commissioners:

In accordance with PacifiCorp's ("the Company") Procurement Policy, the Company must report to the Public Service Commission of Utah ("Commission") purchases of goods or services exceeding \$1,000,000 that are not competitively bid. This letter hereby serves as notice that PacifiCorp has entered into a non-competitively bid contract with Oracle America Inc ("Oracle") that exceeds \$1,000,000. The total contract value is [REDACTED] and was executed on [REDACTED].

PacifiCorp purchased hardware components to increase the capacity of the Oracle Exadata database machines located at the Company's Salt Lake City facility. The added capacity includes [REDACTED]. The Oracle databases run many of the Company's applications, including outage management, line safety, and customer service systems. Without the additional capacity for these databases the risk of system failure would increase. These hardware components can only be purchased directly from Oracle.

Pursuant to PacifiCorp's Procurement Policy, a supplier may be awarded a contract on a non-competitive basis under certain circumstances, such as when competitive bidding is impossible or impractical, or when otherwise a non-competitive procurement has been demonstrated to be in the best interest of the Company and its customers.

Questions regarding this notice can be directed to Max Backlund at 801-220-3121 or max.backlund@pacificorp.com.

Sincerely,

Joelle Steward
Senior Vice President, Regulation
