**Re: Notice of Non-Competitive Procurement with LightRiver Technologies.**

Dear Commissioners:

In accordance with PacifiCorp's ("the Company") Procurement Policy, the Company must report to the Public Service Commission of Utah ("Commission") purchases of goods or services exceeding \$1,000,000 that are not competitively bid. This letter hereby serves as notice that PacifiCorp has entered into a non-competitively bid contract with LightRiver Technologies that exceeds \$1,000,000. The total contract value for the scope of work is [REDACTED] for Ciena hardware support and software patches for a term ending [REDACTED].

Pursuant to PacifiCorp's Procurement Policy, a supplier may be awarded a contract on a non-competitive basis under certain circumstances, such as when competitive bidding is impossible or impractical, or when otherwise a non-competitive procurement has been demonstrated to be in the best interest of the Company and its customers.

LightRiver is the existing VAR supporting Ciena hardware and services, which is used for electrical systems controls and telemetry and power line protection. LightRiver has existing knowledge of the systems, and through this contract will provide patching services to protect against security threats and operational bugs in the Company's electrical systems controls, telemetry, and power line protection systems.

Questions regarding this notice can be directed to Max Backlund at 801-220-3121 or max.backlund@pacificorp.com.

Sincerely,
