Re: *Miscellaneous Correspondence and Reports Regarding
Telecommunications Utility Services; 2025 (Docket No. 25-999-03)*

Dear Ms. Yakel-Dvorak,

On September 18, 2025, the Public Service Commission (PSC) received your correspondence on behalf of Pulsar360 Corp. ("Pulsar360") stating that as of August 31, 2025, Pulsar360 is no longer in business and requesting to withdraw from VoIP reporting. On January 13, 2026, the PSC issued an action request to the Division of Public Utilities (DPU) asking it to review Pulsar360's correspondence and verify whether Pulsar360 has a certificate of public convenience and necessity (CPCN) or eligible telecommunications carrier (ETC) designation and to provide a recommendation addressing the question Pulsar360 posed in its correspondence.

On February 11, 2026, DPU filed its action request response. DPU recommends the PSC acknowledge Pulsar360 does not have a CPCN or ETC designation. You were courtesy copied on DPU's response. The PSC acknowledges that Pulsar360 does not have a CPCN or ETC designation, and based on Pulsar360's representation that it is no longer in business, Pulsar360's correspondence has been filed and posted to Docket No. 25-999-03.
