Re: *Miscellaneous Correspondence and Reports Regarding
Telecommunications Utility Services; 2025 (Docket No. 25-999-03)*

Dear Ms. Eshbaugh,

On November 10, 2025, the Public Service Commission (PSC) received your correspondence on behalf of Via Wireless, LLC ("Via Wireless") stating that Via Wireless has "recently ... withdrawn from the state." On January 13, 2026, the PSC issued an action request to the Division of Public Utilities (DPU) asking it to review Via Wireless's correspondence and verify whether Via Wireless has a certificate of public convenience and necessity (CPCN) or eligible telecommunications carrier (ETC) designation and to provide a recommendation addressing the question Via Wireless posed in its correspondence.

On February 11, 2026, DPU filed its action request response. DPU recommends the PSC acknowledge Via Wireless does not have a CPCN or ETC designation. You were courtesy copied on DPU's response. The PSC acknowledges that Via Wireless does not have a CPCN or ETC designation, and based on Via Wireless's representation that it is no longer conducting business in Utah, Via Wireless's correspondence has been filed and posted to Docket No. 25-999-03.
