Subject: OPID 32183 NPMS OSAVE Notification of No Changes Received

OSAVE NOTIFICATION

Thank you for submitting a notification of no changes for OPID 32183's gas transmission pipelines via Session ID 30414. By submitting this notification on 01/13/2025, you confirm that there are no operational changes that impact the existing NPMS data and that the existing NPMS data accurately reflects operations as of December 31, 2024.

If the previously submitted NPMS data matches this year's Annual Report and other PHMSA records, PHMSA accepts this no change notification in lieu of a traditional data submission to fulfill the yearly NPMS submission requirement. We will contact you if we have any questions or concerns.
