Dear Mr. Wilderburg,

Enbridge Gas is providing a supplemental version of the previously filed 2024 Distribution Annual Report. For your reference, the updates were related to Part B, Section 4: "Miles of Main and Number of Services by Decade of Installation" counts within the Unknown category for both Mains and Services. The initial submission reflected zero values and is directly related to Utah Gas pipe previously marked with a date of install of 01/01/2001, which has been updated to reflect "Unknown".

Should you have any additional questions regarding this change, please contact me directly.

Sincerely,

A handwritten signature in black ink, appearing to read 'Steve Bursett'.
