

- BEFORE THE UNDERGROUND FACILITIES DAMAGE DISPUTE BOARD -

Request of KCI Inc. for Arbitration

DOCKET NO. 25-999-13

SECOND NOTICE REGARDING REQUEST
FOR ARBITRATION

ISSUED: July 10, 2025

On May 14, 2025, Aaron Kinikini on behalf of KCI Inc. ("KCI") submitted to the Utah Public Service Commission (PSC) a request for arbitration related to a damaged underground facility of Enbridge Gas Utah ("EGU"). The Underground Facilities Damage Dispute Board ("Board") issued a Notice Regarding Request for Arbitration the same date, requesting interested parties to submit, by June 3, 2025, any additional information they believe pertinent to the dispute and a statement indicating whether they agree to arbitration before the Board.

On June 3, 2025, EGU submitted a response declining to agree to engage in arbitration before the Board.

The Board is statutorily authorized to arbitrate disputes only "upon agreement of the disputing parties." Utah Code Ann. § 54-8a-13(5). Because EGU has declined to agree to arbitration, the PSC gives notice it has not forwarded KCI's request for arbitration to the Board and does not intend to take further action in this matter.

DATED at Salt Lake City, Utah, July 10, 2025.
