Attorney for Utah Office of Consumer Services

BEFORE THE PUBLIC SERVICE COMMISSION OF UTAH	
In the Matter of Utah City Heating and Cooling LLC's Initial General Rate Case	Docket No. 26-2666-01 Partial Joinder

Pursuant to UTAH ADMIN. CODE r. 746-1, Utah Code § 54-10a-101, and the Public Service Commission of Utah's (PSC) March 2, 2026 Notice Re: February , 2026 Virtual Conference, the Office of Consumer Services (OCS) files this Partial Joinder of Corix Utah City Heating and Cooling, LLC (Corix) and the Division of Public Utilities' (DPU) Joint Comments and Request for Expedited Consideration.

Specifically, the OCS joins in Appendix A of the Joint Comments containing an agreed upon set of rules for the requirements of a "complete filing" for the purposes of a general rate case for heating corporations. The OCS also concurs with the legal analysis regarding the availability of emergency rulemaking pursuant to Utah Code § 63G-3-304 because the PSC is presently out of compliance with Utah Code § 54-7-12(1)(b)(ii) and suggests the PSC adopt this approach. Nevertheless, the OCS does not join the additional argument that Corix' desire to begin providing services on May 15, 2026, under the facts of this case, supports the PSC issuing emergency rules.

Respectfully submitted March 17, 2026.
