Re: Notice of Non-Competitive Procurement with Capstone

Dear Commissioners:

In accordance with PacifiCorp's ("the Company") Procurement Policy, the Company must report to the Public Service Commission of Utah ("Commission") purchases of goods or services exceeding \$1,000,000 that are not competitively bid. This letter hereby serves as notice that PacifiCorp has entered into a non-competitively bid contract with Capstone that exceeds \$1,000,000. The total contract value for the scope of work is approximately [REDACTED] for project management and financial analyst services supporting the Project Management Office ("PMO") [REDACTED].

Pursuant to PacifiCorp's Procurement Policy, a supplier may be awarded a contract on a non-competitive basis under certain circumstances, such as when competitive bidding is impossible or impractical, or when otherwise a non-competitive procurement has been demonstrated to be in the best interest of the Company and its customers.

Capstone personnel are currently providing project management and financial analyst services to the Company's PMO, and additional funding is required to continue these services [REDACTED]. These individuals were selected through an existing contractor recruitment and interview process in which qualified candidates were evaluated and the most suitable applicants were chosen for the work. Maintaining continuity with existing personnel supports accurate and timely project cost management and avoids disruption to active projects. Continued use of these resources benefits Utah customers by helping ensure effective project oversight and financial management across the projects Capstone personnel support.

Questions regarding this notice can be directed to Max Backlund at 801-220-3121 or max.backlund@pacificorp.com.

Sincerely,

Jana Saba
