Re: **Docket No. 26-999-03:** Fuze Inc.'s Notice of Discontinuation of Business.

Recommendation (Acknowledge)

The Division of Public Utilities ("Division") recommends that the Public Service Commission ("Commission") acknowledge this notice.

Discussion

On or about March 11, 2026, Fuze, Inc. ("Fuze" or "Company"), filed a letter with the Commission indicating the Company will be discontinuing business in the State of Utah. The Division has reviewed the Company's information and found the following:

Fuze is an interconnected VoIP provider and as such is not regulated by the Commission. It has not been issued a Certificate of Public Convenience and Necessity ("CPCN") and it is not an Eligible Telecommunications Carrier ("ETC").

The Division recommends the Commission acknowledge this notice.
