Re: *Miscellaneous Correspondence and Reports Regarding  
Telecommunications Utility Services; 2026 (Docket No. 26-999-03)*

Dear Ms. Yakel-Dvorak,

On March 11, 2026, the Public Service Commission (PSC) received your correspondence on behalf of Fuze, Inc. ("Fuze") stating that as of December 31, 2025, Fuze is no longer in business. Also on March 11, 2026, the PSC issued an action request to the Division of Public Utilities (DPU) asking it to review Fuze's correspondence and verify whether Fuze has a certificate of public convenience and necessity (CPCN) or eligible telecommunications carrier (ETC) designation.

On March 23, 2026, DPU filed its action request response. DPU states Fuze does not have a CPCN or ETC designation and recommends the PSC acknowledge Fuze's correspondence. You were courtesy copied on DPU's response. The PSC acknowledges that Fuze does not have a CPCN or ETC designation, and based on Fuze's representation that it is no longer in business, Fuze's correspondence has been filed and posted to Docket No. 26-999-03.

Docket No. 26-999-03
