Re: *Miscellaneous Correspondence and Reports Regarding
Telecommunications Utility Services; 2026* (Docket No. 26-999-03)

Dear Ms. Yakel-Dvorak,

On April 27, 2026, the Public Service Commission (PSC) received your correspondence on behalf of Clearly IP Inc. ("Clearly") stating that as of March 31, 2026, Clearly is no longer in business. Also on April 27, 2026, the PSC issued an action request to the Division of Public Utilities (DPU) asking it to review Clearly's correspondence and verify whether Clearly has a certificate of public convenience and necessity (CPCN) or eligible telecommunications carrier (ETC) designation.

On April 29, 2026, DPU filed its action request response. DPU states Clearly does not have a CPCN or ETC designation and recommends the PSC acknowledge Clearly's correspondence. You were courtesy copied on DPU's response. The PSC acknowledges that Clearly does not have a CPCN or ETC designation and based on Clearly's representation that it is no longer in business, Clearly's correspondence has been filed and posted to Docket No. 26-999-03.
