Re: Docket No. 26-999-03, *Cliq Communications LLC d/b/a Cliq Mobile's Utah Telecom Registration / Status Verification Request*

Dear Mr. Hamid:

The Public Service Commission ("PSC") has reviewed Cliq Communications LLC d/b/a Cliq Mobile's ("Cliq") May 28, 2026, filing requesting the PSC confirm: (1) whether Cliq currently holds any active registration, certificate, license, reporting account, tariff, docket, ETC/Lifeline designation, state USF relay account; and (2) if any such records exist, what steps are required to voluntarily surrender, withdraw, cancel, or close them (the "Filing"). If no active records exist, Cliq requests written confirmation from the PSC.

The PSC also reviewed the comments filed by the Division of Public Utilities (DPU) on June 9, 2026. DPU states it has reviewed the Filing and has been unable to find any documents or data to suggest that Cliq has any active record with the PSC. As such, DPU recommends the PSC acknowledge Cliq has no active records and accept the Filing as a final notification.

Based on the PSC's review of Cliq's Filing and DPU's comments, we confirm that Cliq has no active record with the PSC and has no further requirements in the State of Utah.

Sincerely,

/s/ Gary L. Widerburg  
PSC Secretary
