Section 63.71 Application of	)	
Network Innovations, LLC	)	

SECTION 63.71 APPLICATION

Network Innovations, LLC, which conducts business as NITEL and under other trade names (collectively, "Nitel" or "Applicant"), is a subsidiary of Comcast Corporation ("Comcast"). Nitel hereby seeks authorization, pursuant to Section 214(a) of the Communications Act of 1934, as amended (the "Act"), 47 U.S.C. § 214(a), and Section 63.71 of the rules of the Federal Communications Commission ("FCC" or "Commission"), 47 C.F.R. § 63.71, to discontinue its offering and provision of interconnected voice over Internet protocol ("VoIP") services and associated features. Nitel has fewer than 400 active VoIP customers, and maintaining interconnected VoIP as a standalone offering is no longer commercially viable or consistent with the company's business plans.

Specifically, Nitel intends to stop offering interconnected VoIP services to the public and to discontinue service to its remaining customers on or after November 1, 2026. The proposed discontinuance will not result in material harm to these customers, as they may obtain alternative services from Comcast or a variety of other providers.

The Applicant provides the following information pursuant to Section 63.71 of the Commission's rules:

1. Name and Address of Carrier: Network Innovations, LLC, 1701 JFK Boulevard, Philadelphia, PA 19103.
2. Date of Planned Service Discontinuance: Nitel plans to discontinue its provision of VoIP services on or after November 1, 2026. Nitel understands that this Application will be

granted automatically on the 31st day after public notice of its filing unless the Commission notifies it to the contrary.

3. Points of Geographic Areas of Service Affected: Nitel currently provides its interconnected VoIP services to customers in Alabama, Arizona, Arkansas, California, Colorado, Connecticut, the District of Columbia, Florida, Georgia, Idaho, Illinois, Indiana, Kansas, Kentucky, Louisiana, Maryland, Massachusetts, Michigan, Minnesota, Mississippi, Missouri, Montana, Nebraska, Nevada, New Jersey, New Mexico, New York, North Carolina, Ohio, Oklahoma, Oregon, Pennsylvania, South Carolina, South Dakota, Tennessee, Texas, Utah, Virginia, Washington, West Virginia, Wisconsin, and Wyoming.
4. Brief Description of Type of Service Affected: As noted above, Nitel intends to discontinue its offering and provision of interconnected VoIP services and associated features.
5. Brief Description of the Dates and Methods of Notice to All Affected Customers: In accordance with Section 63.71(a), Nitel provided written notice by mail to all affected customers on August 26, 2026. Sample copies of the notice are attached hereto as Attachments A and B – Attachment A reflects the notice sent to customers outside California, and Attachment B reflects the notice sent to California customers, which includes additional California-specific disclosures. In addition to this formal notification, Nitel previously informally advised its customers of its plan to discontinue these services.
6. Whether the Carrier is Considered Dominant or Non-Dominant with Respect to the Service to be Discontinued: Nitel is considered non-dominant with respect to the affected services.

In accordance with Section 63.71 of the Commission's rules, a copy of this Application is being mailed to the Special Assistant for Telecommunications for the Secretary of Defense and to the public utility commission and the Governor of each state in which Nitel currently provides customers with the interconnected VoIP services subject to this application.[1]

The public convenience and necessity will not be adversely affected by discontinuance of the interconnected VoIP services. All customers that will be affected have been given notice affording them ample time to acquire one of the many substitute services that are readily available. Nitel, therefore, respectfully requests Commission approval of this Section 63.71 Application. Please direct any questions regarding this Application to the undersigned.

Respectfully submitted,

Network Innovations, LLC

[1] Section 63.71(a) directs applicants to submit a copy of the Application to the Secretary of Defense, Special Assistant for Telecommunications. Due to restructuring within the Department of Defense, that position no longer exists, and Commission staff has advised that a copy should instead be sent to the Department of Defense Chief Information Officer.

Dear <<Customer Name>>,

We are writing to remind you that Network Innovations, LLC, which conducts business as NITEL and under other trade names (collectively, "Nitel"), a subsidiary of Comcast Corporation ("Comcast"), intends to discontinue its interconnected voice over Internet protocol ("VoIP") services and associated features as soon as November 1, 2026. This discontinuance will impact all states that currently receive VoIP services: Alabama, Arizona, Arkansas, California, Colorado, Connecticut, the District of Columbia, Florida, Georgia, Idaho, Illinois, Indiana, Kansas, Kentucky, Louisiana, Maryland, Massachusetts, Michigan, Minnesota, Mississippi, Missouri, Montana, Nebraska, Nevada, New Jersey, New Mexico, New York, North Carolina, Ohio, Oklahoma, Oregon, Pennsylvania, South Carolina, South Dakota, Tennessee, Texas, Utah, Virginia, Washington, West Virginia, Wisconsin, and Wyoming.

Please note that you are responsible for making the necessary arrangements to transition to an alternative service provided by Comcast Business or one of the many other service providers available in your area. Nitel will continue to provide you with reasonable support and assistance during your transition in order to minimize the potential for service disruptions. There will be no early termination fee should you decide to move your services prior to the planned Nitel shutdown.

Nitel has notified the Federal Communications Commission ("FCC" or "Commission") about its plan to discontinue these VoIP services and associated features. The FCC will normally authorize this proposed discontinuance of service unless it is shown that customers would be unable to receive service or a reasonable substitute from another carrier or that the public convenience and necessity is otherwise adversely affected. If you wish to object, you should file your comments as soon as possible, but no later than 15 days after the Commission releases public notice of the proposed discontinuance. You may file your comments electronically through the FCC's Electronic Comment Filing System using the docket number established in the Commission's public notice for this proceeding, or you may address them to the Federal Communications Commission, Wireline Competition Bureau, Competition Policy Division, Washington, DC 20554, and include in your comments a reference to the § 63.71 Application of Network Innovations, LLC. Comments should include specific information about the impact of this proposed discontinuance upon you or your company, including any inability to acquire reasonable substitute service.

If you have any questions, you may contact us at CBNCustomerCare@comcast.com or 866-892-0915. You are a valued Nitel customer, and we will do our best to make your transition to a Comcast service or new service provider as smooth as possible.

Sincerely,
Network Innovations, LLC

For those customers in California, Nitel has also notified the California Public Utilities Commission ("CPUC") about its plan to discontinue via its Advice Letter No. 14. You may obtain a copy of the advice letter from the CPUC or from Nitel's counsel, davidhuang@dwt.com. You may object to the advice letter by sending an email ***on or before September 21, 2026*** to the CPUC's Telecommunications Advice Letter Coordinator at TD._PAL@cpuc.ca.gov, with a copy to Nitel's counsel at davidhuang@dwt.com.
