

UTAH AREA CODE 801 STUDY

Definitions

Assigned to Customers: Working telephone numbers assigned to customers  
Aging/Cooling: Telephone numbers in the aging (cooling process)  
Reserved: Reserved telephone numbers (under specific customer contract of tariff arrangement)  
Roamer: Roamer numbers for wireless phones  
Assigned, but not working: Telephone numbers assigned by not working (soft dial tone, wireless hot phones, pending orders)  
Official Co. Business: Official company business numbers (testing, maintenance, internal company business not billed)  
Resellers: Telephone numbers assigned to resellers

All other numbers should be available for assignment (unused), and should be recorded as such.
