RE: Autotel's Request for Negotiation of an Interconnection Agreements
for the State of Utah

Dear Richard:

I am writing on behalf of Qwest Communications, Inc. ("Qwest") concerning the ongoing negotiation of an interconnection agreement between Qwest and Autotel ("Wireless Company") for the state of Utah.

This letter confirms Qwest's and the Wireless Company's agreement that the date on which interconnection negotiations commenced between Qwest and Autotel for purposes of Section 252(a) of the Act is September 30, 2002.

The Wireless Company and Qwest further agree that the periods during which either party to the negotiations may petition a state commission under this section of the Act are as follows:

Qwest/Autotel -
commencing February 17, 2003, closing March 10, 2003

The parties further agree not to challenge any term of this letter agreement in any proceeding before a state commission, the Federal Communications Commission, or any state or federal court.
