**BEFORE THE PUBLIC SERVICE COMMISSION OF UTAH**

---

In the Matter of the Petition of AUTOTEL	:	Docket No. 03-049-19
for Arbitration of an Interconnection	:	
Agreement with QWEST CORPORATION	:	
Pursuant to Section 252(b) of the	:	<b>QWEST'S CORRECTIONS AND</b>
Telecommunications Act	:	<b>CLARIFICATIONS TO DIVISION</b>
	:	<b>ISSUES MATRIX</b>

---

Qwest Corporation ("Qwest"), pursuant to the Second Scheduling Order issued on July 3, 2003, submits corrections and clarifications to the issues matrix attached to the pleading filed by the Division of Public Utilities ("Division") on June 27, 2003 in this docket. For ease of reference, Qwest's corrections and clarifications are shown in redline format on the issues matrix attached.

The Division matrix includes a brief identification of each issue and Qwest's and Autotel's positions on the issue. Qwest has generally limited its corrections and clarifications to statements of its position. In one instance, Qwest has also proposed a clarification to the identification of the issue. Qwest has not provided corrections or clarifications on Autotel's positions, believing corrections and clarifications to Autotel's positions should be within the purview of Autotel. Nonetheless, Qwest notes that on some issues it does not believe the Division issues matrix accurately portrays Autotel's position. Finally, Qwest has made a few clerical corrections to the matrix.

RESPECTFULLY SUBMITTED: July 23, 2003.
