**BEFORE THE PUBLIC SERVICE COMMISSION OF UTAH**

---

**IN THE MATTER OF  
QWEST CORPORATION'S LAND  
DEVELOPMENT AGREEMENTS (LDA)  
TARIFF PROVISIONS**

**Docket No. 03-049-62**

**MCM ENGINEERING INC.  
PETITION TO INTERVENE**

---

Pursuant to Utah Code Ann. § 63-46b-9 and Utah Admin. Rule 746-100-7, MCM Engineering Inc. respectfully petitions the Public Service Commission of Utah (the "Commission") for leave to intervene in the above-captioned proceeding concerning Qwest Corporation's Land Development Agreements tariff provisions in the state of Utah. In support of its petition, MCM Engineering Inc. represents and states as follows:

1. MCM Engineering Inc. is a Developer/ Home Builder, developing and building over 100 homes per year in residential subdivisions throughout the state of Utah and specifically along the Wasatch Front.

2. As a Developer/ Home Builder, MCM Engineering Inc. is required by law to provide utilities, including telephone service, to the building lots we develop and /or the homes we build in Utah. The outcome of Qwest Corporation's LDA Tariff docket could result in significant added costs to consumers. This is due to increased development and home building time, caused by slow response time to project timetables on the part of

telephone and other utilities to MCM Engineering Inc. Thus, the legal interests of MCM Engineering Inc. could be directly affected by the outcome of this proceeding.

3. The interests of justice and the orderly and prompt conduct of this proceeding will not be impaired by allowing MCM Engineering Inc. to intervene.

WHEREFORE, MCM Engineering Inc. respectfully requests that the Commission enter an Order granting MCM Engineering Inc. Petition to Intervene as a party in this docket, allowing MCM Engineering Inc. to participate to the full extent allowed by the rules of the Commission and by Utah Law.

RESPECTFULLY SUBMITTED this \_\_\_\_\_ day of \_\_\_\_\_, 2004.

MCM Engineering Inc.
