**CERTIFICATE OF READINESS FOR TRIAL**

**AND REQUEST FOR EXPEDITED TRIAL SETTING**

---

Beehive Telephone Company, Inc. ("Beehive"), through counsel, certifies that it has filed a complaint in the docket referenced above, that an answer has been submitted by Citizens Telecommunications of Utah, Inc. ("Citizens"), that the issues in this proceeding now are joined, and that the matter is ready for trial.

Beehive requests an expedited trial setting in this matter. Both sides to this controversy are well aware of the relevant facts, and, hence, no pre-trial discovery is

necessary. Any pre-trial motions that either side may desire to make can be heard at the trial of this matter. The averments and denials in the complaint and answer raise concerns respecting 911 calls, and the failure to route or the blocking of such calls as well as other traffic. Since the public safety, as well as basic customer service, may be at issue, Beehive believes that an expedited hearing to resolve these concerns is appropriate.

Dated this 2nd day of February, 2005.
