**Date:** January 25, 2005

**Re:** Frontier Telephone **04-041-07**/ Motion to Compel Frontier Telephone aka citizens Telephone Co, to Cooperate with Qwest and Beehive to Provide Necessary Trunking

**Recommendation: Status Report: No Recommendation**

The Division reviewed the Motion to Compel and will wait until attorneys from the parties involved file written comments due on January 26 to continue our investigation.

**Background**

The Division received an action request dated December 28, 2004 to investigate Beehive Telephone Company's Motion to Compel dated December 28, 2004 and respond to the Commission by January 27, 2005.

**Details:**

1. The Division contacted Beehive, Frontier, and Qwest to discuss the Motion.
2. Qwest was not included on the Motion, so Beehive hand delivered the Motion to Qwest, and the Division forwarded it to Qwest's attorneys.
3. The parties will file written comments on January 26. The Division will then review the comments and consider holding a Technical Conference to discuss the issues in person.
