01/08/05 page 2

This filing is a notice filing which I do not believe is an action item for the Commission. The actual motion request to be filed later would be an action item. I hereby provide notice that I will apply to the Public Service Commission for an Order compelling discovery under Rule 37, Utah Rules of Civil Procedure. To date, most of my attempts for discovery have either been ignored or turned down by one or more parties to this Docket No. which were served with requests under Rules 26 through 37.
