Docket No. 04-053-03—Data Request—01/06/05 page 2—Exhibit D

Pursuant to Rule 34 of the Utah Rules of Civil Procedure, intervener requests the Utah Committee of Consumer Services to produce the documents specified below. This request is for paper copies as well as electronic records. I would prefer the paper version over an electronic version if both forms are available. Normal mail serve to Vernal is only one or two days.

Please mail the paper documents to my post office box. Electronic records should be sent to my email address. Several small attachments and emails is preferred over very large attachments since I have very limited attachment size restrictions on my email.

Time is of the essence so your prompt response would be appreciated. Send the items that you are able to put together on a daily basis rather than waiting until you have everything. On the final email or mailing, just mention that this is the final response to “data request 1”..

DOCUMENT REQUEST

Please produce any and all written or electronic communications that have to do with Docket No. 04-053-03 which took place on November 11, 12 , 13, 14, and 15 between anyone associated with the Utah Committee of Consumer Services and anyone associated with the (applicant and/or his attorneys), the Public Service Commission, and the Division of Public Utilities. This request includes
