Re: Covad Arbitration Proceeding - Docket No. 04-2277-02

Dear Julie:

I am writing this letter in order to correct two prior pleadings that should have been filed in the above-referenced docket, but were erroneously filed in Docket No. 04-049-68.

The first was entitled "Qwest's Motion to Dismiss or, Alternatively, for Summary Judgment Relating to portions of Issues Submitted by Covad Communications Company for Arbitration" and was filed on May 24, 2004. That pleading was later withdrawn.

The second bore the same title as the first and was filed on September 17, 2004. Steve Mecham, counsel for Covad, had received the second document and was kind enough to inform me last week that we had placed the wrong docket number on it. On behalf of Covad, Mr. Mecham has already responded to the September 17, 2004 pleading in the correct docket number.

In order assure that the file is correct, enclosed are copies of the two pleadings referred to above, with the correct docket numbers on them. We would appreciate it if you would file them in the correct file.
