Re: Covad Communications' Supplemental filing in Docket No. 04-2277-02

Dear Commissioners and Judge Goodwill:

Attached are copies of two recent orders, one issued in Minnesota and the other issued in Colorado, in which the administrative law judges hearing Covad's petition for arbitration dismissed Qwest's motion to dismiss, or alternatively, for summary judgment. We are filing them in Docket No. 04-2277-02 to supplement Covad's June 3, 2004 response to Qwest's motion to dismiss, or alternatively, for summary judgment now pending in this proceeding.

Sincerely,

Callister Nebeker & McCullough
