

RESUME

WESLEY D. HUNTSMAN

Educational:

I received a Bachelor of Science degree in Accounting and Business Administration from Southern Utah State College. I have attended numerous training sessions, seminars, and conferences on accounting, auditing, business, management, tax, and utility regulatory matters sponsored by the American Institute of Certified Public Accountants, Governmental Agencies, and the National Association of Regulatory Utility Commissioners.

Professional Experience:

Most Recent: Manager, Telecommunications Section, Utah Division of Public Utilities - Since November 2004 I have supervised the Division staff responsible for providing analysis and recommendations regarding telecommunication regulatory matters within the Division. Prior to that time I managed the Customer Service, Water Section for a period of seven years supervising the Division staff which provided internal and external customer service regarding utility regulatory issues and complaints as well as analysis and recommendations regarding water company regulation. Over a period of 11 years prior to that, I supervised and performed management, cost, financial and economic analysis on behalf of the Division of Public Utilities as manager of the Management Audit Section within the Division. I assisted in utility regulation policy development. I made recommendations regarding utility issues in proceedings before the Utah Public Service Commission. I developed written and oral testimony for hearings and have appeared as an expert witness in contested formal proceedings, including rate cases, related to electric, gas and telecommunications utilities on behalf of the Division.

Previous: Senior Auditor, Utah Division of Public Utilities (5 years) - Performed financial and management audits, bench marking performance analysis, and investigations of electric, telephone, and water utility operations and applications for rate relief. Involved in all aspects of utility regulation.

Previous: Audit Manager, J. D. Catten and Associates, CPA firm (2 years) - I supervised financial and operational audits of governmental grant program recipients and financial audits of business ventures including credit unions, investment stock brokerage firms and labor unions.

Previous: Audit Supervisor & Supervisory Auditor, Office of the Inspector General, U.S. Department of Agriculture (8 years) - Supervised and performed complex operational, management and financial audits of USDA Agency offices and programs including nationwide programs, Regional Agency Offices, and Central Data Processing facilities.

-2-

Other Activities:

I am a member of the American Institute of Certified Public Accountants (AICPA) and the National Association of Regulatory Utility Commissioners (NARUC) Subcommittee on Management Analysis. I served as Chairman of the NARUC Subcommittee on Management Analysis for three years. I am a licensed Certified Public Accountant, certified in Utah and Colorado.

In the late 1970's, I participated for five years as an instructor in training programs for the U.S. Department of Agriculture, Office of the Inspector General. At that time I instructed new auditors in auditing tools and techniques. From 1988 to 1993, I assisted in coordinating and instructing at training sessions for Utility Management Analysts sponsored by the NARUC Subcommittee on Management Analysis.

I served for eight years as a member of the West Jordan City Board of Adjustment. In addition, I have been treasurer of a non-profit irrigation association for nineteen years. I served as treasurer for the West Jordan City Forth of July celebration committee for five years and on the Board of Directors for the West Jordan City Chamber of Commerce for four years.
