Re: Veracity Communications, Inc.'s Application to Provide Local Exchange Telecommunications

Dear Ms. Orchard:

There is a typographical error in the first paragraph of Veracity Communications, Inc.'s Application filed with the Commission on July 15, 2005. It should have read (modification in italics):

Veracity
Communications,

Inc. ("Veracity Communications" or "Applicant"), pursuant to Chapter 8b of Title 54 of the Utah Code; the Commission's Rules of Practice and Procedure, Utah Admin. Code §§ 746-100 *et seq.*; and the federal Telecommunications Act, 47 U.S.C. §§ 151 *et seq.*, hereby applies to the Utah Public Service Commission for a certificate of public convenience and necessity authorizing Applicant to operate as a provider of facilities-based local exchange telecommunications service in the State of Utah *except* in exchanges with fewer than 5,000

access lines that are owned or controlled by incumbent local exchange carriers with fewer than 30,000 access lines. In support of its application, Veracity Communications provides the following information pursuant to Utah
