Petition for Commission Approval of 2007) DOCKET NO. 07-049-30
Additions to Non-Impaired Wire Center List)
and Motion for Expedited Issuance of) PROCEDURAL ORDER
Protective Order)

ISSUED: August 23, 2007

By The Commission:

At a duly noticed Procedural Conference held with the Administrative Law Judge on August 23, 2007, the parties discussed their divergent views of the need to extend the current August 30, 2007, deadline to file objections to Qwest's June 22, 2007, Petition for Commission Approval of 2007 Additions to Non-Impaired Wire Center List. The Division of Public Utilities ("Division") requested said deadline be extended to September 7, 2007, while the Division performs a physical inspection of the collocations claimed at the two wire centers that are the subject of Qwest's filing.

Therefore, unless later modified by the Commission, the deadline for parties to file objections, and for the Division to file comments, regarding Qwest's June 22, 2007, filing is hereby extended to September 7, 2007. Further proceedings in this matter will be scheduled as necessary.

Dated at Salt Lake City, Utah this 23rd day of August, 2007.
