RE: In the Matter of the Petition of Eschelon Telecom of Utah, Inc. for Arbitration  
with Qwest Corporation, Pursuant to 47 U.S.C. Section 252 of the Federal  
Telecommunications Act of 1996  
Docket No. 07-2263-03

Dear Ms. Orchard:

Enclosed for filing in connection with the above-referenced matter are an original and 6 copies of the public Direct Testimony and Exhibits of Michael Starkey, Douglas Denney, and Bonnie J. Johnson on behalf of Eschelon Telecom, Inc. along with a Certificate of Service. Copies will also be provided via email to [mlivingston@utah.gov](mailto:mlivingston@utah.gov) on June 29, 2007. An original and six copies of the confidential exhibits are also enclosed and are contained in envelopes marked confidential.

Per the filing center's request, Eschelon has made extensive efforts to also provide the exhibits in Word format or, when not available (because, for example, the document was file-protected, only provided in PDF, or comes from a combination of sources), in PDF searchable format, even though many of the exhibits contain Qwest-prepared documents or materials posted on Qwest's website. In a minority of cases, Eschelon was unable to do so (and has provided them in PDF format). The main reason for these minority of situations is that the documents were likely scanned documents when provided to Eschelon in a non-searchable format, and the resolution is inadequate for conversion.

I have also enclosed an additional copy of this letter. Kindly date stamp your receipt and return the stamped copy in the enclosed self-addressed, stamped envelope.

Sincerely,

Tobe L. Goldberg
