Escheloncomments on QwestBuckets.pdf  
QwestBuckets.doc

Qwest asked CLEC regulatory/legal personnel to answer questions regarding the status of litigation for each item on Qwest's matrix of the "buckets" in which Qwest placed certain products. Enclosed is Eschelon's response to Qwest's questions. Also enclosed is a copy of Qwest's matrix, with letters and row numbers added in the margin for ease of reference. (This numbering had to be added manually, as Qwest provided the document only in PDF format.)

Please explain Qwest's reason and agenda for a call given that: (1) except for items that are completed (Bucket A), the items are in litigation (a fact known to Qwest, as Qwest is a party to each litigation), and Qwest's position is that "Disputed items will not immediately be processed through CMP," (2) Qwest has provided no proposal (see 12/14/06 minutes); and (3) Qwest needs to provide additional information (see Eschelon's Response to Bucket C) on the items that Qwest identifies as "Not Yet Covered in any CR." If Qwest continues to request a call on this issue and/or with CLEC legal/regulatory personnel, Qwest should provide the requested information, as well as Qwest's proposal, sufficiently in advance of any call so that CLECs and their attorneys/regulatory personnel may review the information and proposal and be prepared to respond. A call, if it is to be held, should be rescheduled until Qwest provides this information.

Also, please indicate whether Qwest will initiate any proceeding/make any filing similar to its filing in Colorado Commission Docket No. 07S-028T (with respect to a tariff, SGAT, Qwest's template, etc.) in any other state. (Please either provide this information before any call or, if a call is held tomorrow and Qwest has not responded, please respond on the call.)

If a call is held, Karen Clauson, an attorney and Sr. Director of Interconnection, will represent Eschelon on the call, per Qwest's request that CLECs bring legal representation to the call. In addition, Doug Denney, a witness familiar with issues in litigation, will participate as well. Eschelon reserves all of its rights.
