Attorneys for Bresnan Broadband of Utah, LLC

BEFORE THE PUBLIC SERVICE COMMISSION OF UTAH

In the Matter of the Application of

Bresnan Broadband of Utah, LLC

For a Certificate of Public Convenience and
Necessity to Operate as a Competitive Local
Exchange Carrier in Utah

Docket No. 07-2476-01

**Motion to Schedule a Prehearing Technical
Conference**

Pursuant to Utah Rule R746-100-9 (Prehearing Conference), Bresnan Broadband of Utah, LLC (“Bresnan”), hereby moves the Public Service Commission of Utah (the “Commission”) schedule a Prehearing Technical Conference (the “Conference”). The grounds for this Motion are as follows:

1. Bresnan would like to bring all parties together in order to understand each party's position on Bresnan's request for a CPCN in the Vernal local exchange area, and also to formulate and simplify the issues to the extent possible.

2. Bresnan believes such Conference would expedite the orderly conduct of future proceedings and a potential settlement.

3. Bresnan hopes to understand under what circumstances UBTA-UBET would be willing to sign an interconnect agreement with Bresnan that would provide for an efficient portability of numbers between the two providers.

Bresnan is willing to provide additional information as requested, and respectfully requests that any party attending the Conference distribute any information they intend to present at the Conference as soon as possible.

Bresnan requests that the Technical Conference be scheduled on May 1 or 4, 2007. If neither day can reasonably accommodate the parties involved, then Bresnan requests the conference be scheduled on May 24, 25, 29 or 30, 2007.

Bresnan thus respectfully requests that the Commission schedule the requested Conference during the dates requested, for the reasons given herein.

DATED this 17th day of April, 2007.

/s/ Joel D. Wright
