**TO:** PUBLIC SERVICE COMMISSION OF UTAH

**FROM:** DIVISION OF PUBLIC UTILITIES

Chris Parker, Division Director  
William Duncan, Manager, Telecommunications & Water Section  
Paul Hicken, Utility Analyst

**DATE:** May 4, 2012

**SUBJECT:** In the Matter of Manti Telephone Company's Application for USF Eligibility.

**RE:** Docket Number 08-46-01

**RECOMMENDATION:** We recommend the Commission accept this Application as a complete filing and proceed with a Scheduling Conference as soon as possible.

The Division reviewed the Application for increased USF Eligibility from Manti Telephone Company, filed with the Commission on April 24, 2012, and found it lacked several pieces of required information. After correspondence with the company representatives, additional information was submitted as supplemental to the Application and received by the Division on May 2, 2012. With this additional information, the Division finds the Application substantially complete in accordance with Administrative Rule R746-700-40. The Division has no opposition to the filing and is ready to proceed with a scheduling conference with the Company as soon as it can be arranged by the Commission.
