*Re: In the Matter of the Increase in Rates And Charges and Increase in USF
Eligibility for Manti Telephone Company
Docket No. 08-046-01*

Dear Mr. Widerburg:

Please find enclosed the original and five sealed copies of the Confidential version of Manti Telephone Company's Supplement to Second Amended Application (and Confidential Exhibits thereto) in the above referenced docket.

Also please find enclosed the original Redacted version of Manti Telephone Company's Supplemental Second Amended Application. An electronic version of the documents has been emailed to the Public Service Commission and the parties per the service list.

The Supplement is necessary because upon review of the Second Amended Application, the Division of Public Utilities identified documents and/or statements required by R746-700-40 and R746-700-41 that were not included in the Second Amended Application

If you have any questions concerning the above, please feel free to contact me at your convenience.

Very truly yours,

BLACKBURN & STOLL, LC
