DOCKET NO. 08-046-01

ORDER

ISSUED: December 6, 2010

By The Commission:

This matter is before the Commission on the Division of Public Utilities' request to suspend the scheduling order in this matter. The existing scheduling order's dates, however, have since passed, and the Commission previously granted an extension of time. Therefore, there is no need to suspend an inapplicable scheduling order. The Division represents to the Commission that the Company and the Division are "engaged in productive settlement discussions" and desire additional time for the parties to attempt a settlement.

Therefore, the Commission grants the Division until **Wednesday, January 5, 2011** to submit its recommendation or other appropriate filing. The Division may also file its recommendation or file for other appropriate relief before that date.

DATED at Salt Lake City, Utah, this 6th day of December, 2010.
