### Important Notice Regarding Discontinuance of Local Telephone Service

RE Service in:

Dear Valued AT&T Business Customer:

The SBC Long Distance, LLC, d/b/a AT&T Long Distance ("SBC")<sup>1</sup> local telephone service to which you subscribe will no longer be available in your area as of February 15, 2008, and **you must take immediate action.**

SBC values your business, and we'd like to update you on some important changes underway. As you may know, in November 2005, AT&T Corp. and SBC Communications Inc. joined together to form the new AT&T. Part of the integration process involves the affiliated companies (such as SBC) streamlining their business service portfolios. As a result, several local telephone service offerings by AT&T Long Distance (formerly SBC Long Distance) in Utah are being phased out.

SBC Long Distance will no longer provide the following products:

- Business Access Lines including all packages and bundles such as: Phone Solutions and Phone Solutions Plus
- Primary Rate ISDN (PRI)
- Digital Trunks (DTS)
- T-1 Integrated Access (IAS)

Only the services list above are impacted by this letter; other AT&T services such as long distance calling and transport, private line, frame and ATM services or local services from another affiliate, will not be affected by this action.

You are a valued customer and AT&T still offers alternative local services to those being phased out. We sincerely hope you will remain with the AT&T family. Please contact your account executive or contact AT&T Communications of the Mountain States, Inc. (AT&T Mountain States) at 1-800-258-0241 to discuss alternative AT&T services.

However, you also have the right to select another local telephone service provider, and can discontinue your current service without a termination fee. If you select another provider, that carrier will be able to provide you with a list of their services and charges. You may also look in the front of your Yellow Pages directory under "telephone companies," or in the front of your White Pages directory for a list of local telephone service providers. Once you find the provider of your choice, you should call that provider to order your new service.

---

<sup>1</sup> Your local telephone service is provided by SBC Long Distance, LLC, d/b/a AT&T Long Distance.

Please disregard this letter if you have already placed an order to transfer your local phone service to another service provider, or if you have already made arrangements to migrate your service to our affiliate AT&T Communications of the Mountain States, Inc. (AT&T Mountain States) prior to February 15th, 2008.

If you have not yet made arrangements to transfer your business local phone service to AT&T Mountain States or to an alternate service provider, you must do so on or before January 28th, 2008 to prevent the loss of your business telephone service. If you act by this date, there will be sufficient time to start your new service. If you do not act by this date, you could lose your local phone service.

Please select your new service plans carefully – local, toll and long distance – to ensure that your needs are met. However, you are not required to select new long distance and toll carriers and may keep your existing selections for long distance and toll. Companies may offer pricing plans and calling areas that differ from the ones you have today. If you decide to change local service providers, you must call that provider to order your new service. It is up to you to select plans that are right for your circumstances

After your business telephone service has been discontinued, you will receive a final bill within 7 to 14 days, a final credit statement, if one is due, from SBC Long Distance within 30 to 45 days. If you qualify for a refund, one will be issued within 30 to 45 days.

This is an important notice about the loss of your local telephone service. Please contact your current customer service team toll free at 1-877-430-7228 if you have any questions, complaints or need more information on your current service.

We look forward to serving you well into the future.

Sincerely,

SBC Long Distance, LLC, d/b/a AT&T Long Distance

December 4, 2007

**Some Important News Regarding Your AT&T Local Telephone Service<sup>1</sup>**

Dear Valued AT&T Business Customer:

AT&T values your business, and we'd like to update you on some important changes underway. As you may know, AT&T, Bell South and SBC Communications Inc. have joined together to form the new AT&T. As part of the integration process, the affiliated companies are streamlining their business service portfolios.

As a result, this letter is to provide you 90 day notice that your service is among some local telephone service offerings by AT&T Long Distance (formerly SBC Long Distance) that are being phased out. Your service address impacted is: 1 PARK DR, RESEARCH TRIANGLE PA NC.

*Specifically, SBC Long Distance will no longer provide the following products: Business Access Lines (including all packages and bundles such as Phone Solutions and Phone Solutions Plus); Primary Rate ISDN (PRI); Digital Trunks (DTS) and T-1 Integrated Access (IAS).*

Even though your particular service is being discontinued, AT&T offers an exciting array of other services to meet your needs, and we encourage you to discuss those with us. These services are comparable in price and functionality to your current service, and we will switch you to the new AT&T service at no additional cost.

It is our intention (and if applicable, subject to regulatory approval) to discontinue these services starting on or about March 15th 2008. You will receive a follow-up letter giving you the exact date your current service will be need to be replaced with a substitute service and or disconnected.

You are a valued customer and we sincerely hope you will remain with AT&T. However, you also have the right to select another local telephone service provider, and can discontinue your current service without a termination fee. If you select another provider, that carrier will be able to provide you with a list of their services, charges and time frames for installation.

**Over approximately the next month, we will attempt to contact you and discuss your options.** In the meantime, if you have questions, we invite you to contact your account representative directly. If you have any questions on your current service or do not know who your account executive is please contact customer service toll free at 1-877-430-7228.

We look forward to serving you well into the future.

Sincerely,

Your AT&T Business Specialist

January 11, 2008

**Important Notice Regarding Discontinuance of Your Local Telephone Service**

**RE Service in:**

Dear Valued Customer:

As you were previously notified, the SBC<sup>1</sup> business local telephone service to which you subscribe will no longer be available as of February 15, 2008 and **you must take immediate action.**

Please disregard this letter if you have already placed an order to transfer your business local phone service to another service provider or to another service with AT&T Communications of the Mountain States, Inc. ("AT&T").

**If you have not yet made arrangements to transfer your business local phone service to another service provider or to another service with AT&T, you must do so on or before January 28, 2008 to prevent the loss of your business local telephone service.**

Even though your particular service is being discontinued, AT&T offers an exciting array of other services to meet your needs. We encourage you to contact your AT&T Account Representative to discuss other AT&T service options that may be right for you.

You have the right to select any company that is offering local telephone service in your area. If you do not choose to take advantage of AT&T's services, you may look in the front of your Yellow Pages directory under "telephone companies," or in the front of your White Pages directory for a list of local telephone service providers.

Please select your new service plans carefully – local, toll and long distance – to ensure that your needs are met. Companies may offer pricing plans and calling areas that differ from the ones you have today. It is up to you to select plans that are right for your circumstances.

After your business local telephone service has been discontinued, you will receive a final bill within 7 to 14 days; a final credit statement, if one is due, from SBC within 30 to 45 days. If you qualify for a refund, one will be issued within 30 to 45 days.

We thank you for being an SBC customer, and we apologize for the inconvenience of having to change your service. Our goal is your satisfaction, and we sincerely hope AT&T can continue to be your local telephone company. If you have questions, please contact your account representative directly or if you have questions on your current service or do not know who your account executive is, please contact customer service toll free at 1-877-430-7228.

Again, our apologies for the inconvenience. AT&T looks forward to serving you well into the future.

Sincerely,

SBC Long Distance, LLC, d/b/a AT&T Long Distance

Re: SBC Long Distance LLC's Cessation of Business Local Exchange Telephone Service in Utah

Dear Kathy:

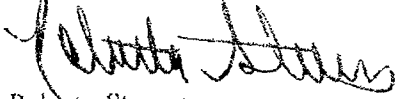

Pursuant to Utah Administrative Code R746-350, SBC Long Distance, LLC d/b/a AT&T Long Distance ("SBC LD") hereby provides notice that it will cease providing business local exchange service in the specific areas of Bountiful, Clearfield, Cottonwood, Kearns, and Salt Lake South, Utah, on or shortly after December 19, 2007, and throughout the remainder of the state on or shortly after March 31, 2008, subject to Commission approval. SBC LD will continue offering long distance telecommunications service.

Business customers were notified by mail of this action and are given an opportunity to select another carrier on an individual basis or be migrated to AT&T Communications of the Mountain States, Inc. ("AT&T Mountain States"). For a "small commercial subscriber" as defined by Utah Code Ann. § 54-8b-18 (1)(c), SBC LD will seek the subscriber's authorization prior to migrating the customer to AT&T Mountain States in accordance with Utah Code Ann. § 54-8b-18 (2)(c). If a small commercial subscriber declines to provide authorization to change its service provider to AT&T Mountain States or another carrier of their choice, the subscriber's service will be terminated on the service discontinuance date.

During now and March, 2008, Qwest can expect to receive single customer migration orders through the routine migration process. We are not aware of any other actions Qwest must take at this time.

Please contact me at 770-564-2329, if you have any questions or concerns regarding this matter.

Sincerely,

A handwritten signature in cursive script, appearing to read "Roberta Stevens".

## Attachment D

AT&T Operations, Inc.  
2600 Camino Ramon, Room 2S750G  
San Ramon, CA 94583  
Tel: (925) 901-8302

August 30, 2007

North American Numbering Plan Administration  
Beth Sprague, Regional Director  
46000 Center Oak Plaza  
Sterling VA 20166

Dear Ms. Sprague:

Pursuant to Utah Administrative Code R746-350, this letter is to inform NANPA that SBC Long Distance, LLC d/b/a AT&T Long Distance, OCN 1388 ("SBC LD"), intends to discontinue providing business local exchange service in the specific areas of Bountiful, Clearfield, Cottonwood, Kearns, and Salt Lake South, Utah, on or shortly after December 19, 2007, and throughout the remainder of state on or shortly after March 31, 2008.

Business customers will be notified by mail of this action and given an opportunity to select another carrier on an individual basis or be migrated to AT&T Communications of the Mountain States, Inc. ("AT&T Mountain States"). SBCL LD will authorize the release of each customer's telephone number to the carrier selected by the customer, as in a routine migration. Also, a portion of the customers are provisioned via resale of ILEC services. For a "small commercial subscriber" as defined by Utah Code Ann. § 54-8b-18 (1)(c), SBC LD will seek the subscriber's authorization prior to migrating the customer to AT&T Mountain States in accordance with Utah Code Ann. § 54-8b-18 (2)(c). If a small commercial subscriber declines to provide authorization to change its service provider to AT&T Mountain States or another carrier of their choice, the subscriber's service will be terminated on the service discontinuance date.

As SBC LD previously was granted approval to discontinue providing local exchange service to residential customers in Utah, once local exchange service for all business customers is discontinued, SBC LD will no longer provide local exchange service to any customers in Utah, and thus any remaining SBC LD number resources will be returned to the North American Numbering Plan Administration / NeuStar Pooling Administration in accordance with the Central Office Code Assignment Guidelines (COCAG) and the Thousands-Block Number Pooling Administration Guidelines (TBPAAG).

Sincerely,

Linda Richardson  
Associate Director – Code Administration
