Re: Docket 08-2499-01: Application of Maskina Communications, Inc. f/k/a Transcom Communications, Inc. for Authority to Provide Facilities-Based Interexchange Telecommunications Services in the State of Utah

Dear Ms. Orchard,

On July 18, 2008, Maskina Communications, Inc. ("Maskina" or the "Company") filed the above-referenced application for telecommunications authority in Utah. At the time the application was filed, Maskina was completing its filing with the Utah Department of Commerce to reflect the Company's change of name (from Transcom Communications, inc.). Enclosed, for inclusion within the docket, please find an original and five copies of the documentation from the Department of Commerce evidencing that this process has been completed. An electronic copy of this filing has been emailed to mlivingston@utah.gov. Finally, a duplicate of this submission is also enclosed for date-stamp and return in the pre-addressed, pre-postaged envelope provided.

If there are any questions regarding this submission or with respect to Maskina Communications, Inc. generally, please contact me at (202) 342-8819 or via email at wbrantl@kelleydrye.com. Thank you for your assistance with this matter.

Cordially,

/S/
