Re: Docket 08-2499-01: Application of Maskina Communications, Inc. f/k/a Transcom Communications, Inc. for Authority to Provide Facilities-Based Interexchange Telecommunications Services in the State of Utah: **Request to Withdraw Application**

Dear Ms. Orchard:

Maskina Communications, Inc. ("Maskina"), by its attorneys, respectfully withdraws its above-referenced application for telecommunications service authority in Utah. The Company regrets the necessity for this decision; however its parent company, Vyke Communications plc, a publicly traded company incorporated in the United Kingdom, has decided to withdraw most of its operations from the United States and concentrate its service offerings abroad.

Enclosed are five copies of this letter for filing as well as a duplicate for date-stamp and return in the pre-postaged envelope provided. An electronic copy of this filing has been emailed to mlivingston@utah.gov. If there are questions regarding this letter, please contact the undersigned at (202) 342-8819 or via email at wbrantl@kelleydrye.com. Thank you for your assistance.

Respectfully submitted,

Maskina Communications, Inc.
