SUBJECT: Citizens Telecommunications Company of Utah
Docket No. 09-041-T03
Dated April 13, 2009

RECOMMENDATION: approve

The Division recommends that the Commission approve this tariff filing.

ISSUE:

The purpose of this filing is to introduce Stay Connected Seasonal Service.

BACKGROUND:

This filing introduces a new service called Stay Connected Seasonal Service which allows customers to access 911 while all other services will be disconnected for one to nine months. By signing up for this service customers can avoid a Service Connection Charge. This new service falls within the provision of *Utah Code* § 54-7-12(4), as amended and, therefore, could become effective without the necessity of a hearing before the Commission.
