RESPONSE TO McLEOD'S MOTION  
FOR SUMMARY JUDGMENT**

STATE OF CALIFORNIA            )  
  ) ss.  
COUNTY OF CONTRA COSTA    )  
  )

I, CHRISTOPHER (CHRIS) VIVEROS, being first duly sworn, depose and state as follows:

1. My name is Christopher (Chris) Viveros. My business address is 1350 Treat Boulevard, Walnut Creek, CA 94597. I am employed by Qwest Corporation ("Qwest") as a Staff Director in the Law Department. In this position, I am responsible for preparing testimony and testifying about Qwest's cost studies in a variety of regulatory proceedings.

2. I have 30 years experience in the telecommunications industry with an emphasis in regulatory and wholesale services. I began my career with AT&T Inc. (formerly Pacific Telephone, Pacific Bell and SBC) in 1979. Between 1979 and 1996, I held a variety of positions, primarily in the wholesale department, including assignments on the methods and procedures staff, systems support, industry guideline development and product management. In April 1996,

I moved to a newly-created organization responsible for implementation and oversight of compliance with the requirements of the Telecommunications Act of 1996 (the "Act"). In January 2000, I accepted a position with US WEST in the Policy and Law organization focused on compliance with the Act and the various state and federal proceedings on the company's Section 271 application. In November 2008, I began my current assignment as a cost witness. In this position, I am responsible for managing cost issues and representing Qwest in proceedings before regulatory commissions.

3. In my capacity as a witness for Qwest, I have reviewed McLeod's Motion for Summary Determination and the attached declarations. I am familiar with the non-recurring cost studies that McLeod's outside witness, Dr. August Ankum, cited. I have also reviewed Qwest's Response to McLeod's Motion for Summary Determination. I attest that the facts stated in Sections I.D and III of that response and addressing cost recovery and cost study issues are true and accurate to the best of my knowledge.

Further affiant sayeth not.
