Judge Arredondo --

McLeodUSA hereby requests an extension of the filing deadline for replies to the motions for summary determination in the above-referenced proceeding until Monday, March 8, in order to allow McLeodUSA due to personnel issues and the need to obtain additional information in order to fully respond to Qwest's motion. We also propose that the remaining deadlines (other than the date for the hearing, if necessary) be postponed a comparable amount (specifically until Monday, March 22, for any DPU response to the motions, and Monday, April 12, for Qwest and McLeodUSA to respond to any DPU filing).

We have contacted counsel for Qwest and the Division, and Qwest does not object to this request. We have not yet received a response from the Division, but because the deadline under the current schedule is tomorrow, we wanted to raise this issue with you as soon as possible. I will let you know as soon as I hear from Mr. Ginsberg.

Thank you for your consideration of our request.
