Re: Agreement filing in the Matter of the Interconnection Agreement between Qwest Corporation and Eschelon Telecom of Utah, Inc per Docket No. 09-049-62

RECOMMENDATION:

The Division recommends that the Commission acknowledge the receipt of this Amended Interconnection Agreement.

EXPLANATION:

On December 09, 2009, Qwest Corporation (“Qwest”) filed the Interconnection Agreement per the above-referenced docket in accordance with § 54-8b-2.2(1) (d) of the *Utah Code*. This Agreement had been fully executed through voluntary negotiations on December 1, 2009 with Eschelon Telecom of Utah, Inc (“Eschelon”). Eschelon’s Certificate of Public Convenience and Necessity was approved by the Commission on April 06, 1999 in Docket No. 98-2263-01.

The Division has reviewed the above-mentioned Agreement between Qwest and Eschelon and sees no reason to reject it. Specifically, the Division believes that the Agreement was negotiated in good faith and without unfair discrimination. Both parties also recognize that, to the extent that the existing rules are changed, vacated, dismissed, stayed or modified, this Agreement and all contracts adopting all or part of this Agreement will be amended to reflect such modification or change of the existing rules. Therefore, the Division recommends that the Commission acknowledge the receipt of this Interconnection Agreement.
