RE: Navajo Communications Company– Clean Up Frontier Digital Phone Essentials

Dear Ms. Orchard:

Enclosed please find an original and two copies of the enclosed tariff filing for Commission review and approval.

The purpose of this filing is to reduce the monthly charge for the Frontier Digital Phone Essentials bundle, remove the reference to the non-regulated 100 long distance minutes and the special condition that required customers to designate FCA as their long distance provider. Existing customers that subscribe to FCA will continue to receive the 100 LD minutes in accordance with the rates and terms defined in Frontier Communication of America's domestic price list.

It is respectfully requested that this filing become effective on May 4, 2009.

An additional copy of this letter is also enclosed. Please stamp this copy received and return it in the enclosed stamped, self-addressed envelope.

Please direct any questions or notifications of action taken on this tariff filing to Curt Huttzell at (801) 298-0757, or P.O. Box 708970, Sandy, UT 84070-8970.

Sincerely,

Curt Huttzell
