Re: Bear Lake Communications Tariff Revisions
Docket No. 08-2201-01

Paul,

The revised tariff is included. The following changes/corrections were made:

- Page 27.1, pages 38.10 – 38.19 were added to the Table of Contents
- Pages 28-29, 33-34, 37-38.7 have been changed to P.S.C. Utah No. 2
- Page 24 dial tone rate was updated to the correct amount
- On Page 38.8 and page 59 the notes made were in-house notes and do not apply
- Page 37 has been corrected
- Pages 38.1-38.3 should be correct
- A new copy of the exchange map is included along with a description

I do not have nor know the Issue Date or Docket No. for pages 23, 26-27. Can you help here?
