Re: In the Matter of the application of All West Communications, Inc for an Increase in Rates and Charges and in USF Eligibility Docket No. 09-2270-01

Recommendation: Schedule a conference in this docket

The Commission should schedule a conference with all parties to outline the calendar of due dates for this docket.

Issues:

On January 22, 2009 All West Communications, Inc., (“All West”) filed a petition with the Commission asking for their rates to be adjusted. Since the filing the Division has worked with All West to begin the process to determine what rates would be just and reasonable. At this time, the Division recommends scheduling a conference that will establish a schedule that can be followed by all parties in this Docket.
