**Re: Docket No. 09-2424-01**

Dear Ms. Orchard:

Below are the responses to the Commission's questionnaire sent April 29, 2010 in Docket No. 09-2424-01 to the Utah Rural Telecom Association ("URTA"):

1. If the proposed rule change is implemented, the anticipated cost or savings to each of your members:

**Response:** The proposed rule would not result in any additional costs or savings to the members of URTA. The difference would be in how intrastate revenue is calculated and that would vary member to member and case to case.

2. Identify each member with fewer than 50 employees;

**Response:** Bear Lake Communications, Beehive Telephone, Carbon Emery, Direct Communications, Emery Telcom, Hanksville, Gunnison Telephone, Manti, Skyline Telecom, Union Telephone.

3. Identify each member with 50 employees or more;

**Response:** All West Communications, Central Utah Telephone, South Central, Strata Networks.

If the Commission has any further questions, please let me know.

Sincerely,

Stephen F. Mecham
