Looks like March is going to be tough. Will Monday, April 5, and Tuesday April 6th work for everyone? If not, give me your possible dates in April. I have the 240-day cutoff at April 24, 2010.

Judge Arredondo,

The Office is not available the first or fourth weeks in March due to other Commission hearings, notably the Rocky Mountain Power general rate case. In addition, briefs are due the 15th and the 22nd in the All American matter. I am uncertain that the Office staff or I can offer the character and quality of testimony and other evidence to which the Commission is entitled if the TracFone case is scheduled in March. Finally, I have not received the materials requested in question 2 from your November 24th e-mail to Mr. Brecher. Thank you.
