Utah for the Limited Purpose of Offering) ORDER
Lifeline Service to Qualified Households)

ISSUED: July 7, 2011

By The Commission:

In our March 9, 2011 Order on reconsideration, we ordered TracFone to submit the method it will use to collect and remit its state USF contributions. On June 2, 2011, TracFone stated it would multiply its intrastate revenues by “.0025—the applicable USF surcharge factor” and remit that amount to the Commission. *See TracFone Statement Regarding Its State Universal Service Fund Contribution Method*, p.1. On June 21, 2011, we ordered the Division of Public Utilities to comment on the appropriateness of the contribution method. On July 6, 2011, the Division noted that, pursuant to Utah Admin. Code R746-360-4.C, TracFone correctly noted that the currently applicable surcharge is .25 percent of intrastate retail rates.

ORDER

The Commission approves TracFone’s contribution method, which is currently set in Utah Admin. Code R746-360-4.C, as .25 percent of intrastate retail rates. TracFone shall remit those amounts to the Commission.
