Re: Utah Docket No. 10-041-T06, Citizens Telecommunications Company of Utah filing to introduce a feature package referred to as Frontier Business All In Feature Package.

ISSUE:

Citizens Telecommunications is filing this docket to modify its tariff to introduce a new feature package referred to as Frontier Business All In Feature Package. The feature package is available to both new and existing customers that subscribe to Frontier Business Unlimited Service and Frontier Business Essentials bundles.

This change appears in Schedule No. A-3 under Bundled Services.

RECOMMENDATION:

The Division has reviewed this modification for any rate increase to base rates that would require a rate hearing and has found none. The Division therefore recommends that the Commission approve this modification in Citizens' General Exchange Tariff and have it become effective November 22, 2010.
