Re: Agreement filing in the Matter of the Interconnection Agreement between Qwest Corporation and Bresnan Broadband of Utah, LLC per Docket No. 10-049-14.

RECOMMENDATION (Acknowledgement):

The Division recommends that the Commission acknowledge the receipt of this Commercial Master Services Agreement – Internetwork Calling Name (“ICNAM”).

EXPLANATION:

On March 31, 2010, Qwest Corporation (“Qwest”) filed the Commercial Master Services Agreement – Internetwork Calling Name (“ICNAM”) per the above-referenced docket in accordance with § 54-8b-2.2(1) (d) of the *Utah Code*. This Agreement had been fully executed through voluntary negotiations on March 19, 2010 with Bresnan Broadband of Utah, LLC (“Bresnan”). Bresnan’s Certificate of Public Convenience and Necessity was approved by the Commission on November 16, 2007 in Docket No. 07-2476-01.

The initial Interconnection Agreement between Qwest and Bresnan was file on March 23, 2010 under Docket No.10-049-11 and it was recommended by the Division that the Commission acknowledgement the agreement.

The Division has reviewed the above-mentioned Agreement between Qwest and Bresnan and sees no reason to reject it. Specifically, the Division believes that the Agreement was negotiated in good faith and without unfair discrimination. Both parties also recognize that, to the extent that the existing rules are changed, vacated, dismissed, stayed or modified, this Agreement and all contracts adopting all or part of this Agreement will be amended to reflect such modification or change of the existing rules. Therefore, the Division recommends that the Commission

acknowledge the receipt of this Commercial Master Services Agreement – Internetwork Calling Name (“ICNAM”).
