James B. Farr
Qwest Communications
250 Bell Plaza, Room 1603
Salt Lake City, UT 84111

Dear Mr. Farr:

The Commission has reviewed your July 7, 2010, letter informing the Commission of Qwest's request to combine four Salt Lake County rate centers (Holladay, Kearns, Magna, and Midvale) into one rate center. We understand that Qwest expects benefits to accrue to customers both from a larger potential number porting area, and the general conservation of telephone numbers.

The Commission has also received the July 26, 2010, Memorandum of the Division of Public Utilities, wherein the Division recommends that the above mentioned rate center consolidation be approved to facilitate number porting.

Based upon the information we have received, the Commission has concluded that there is no reason to preclude or prevent Qwest from consolidating the rate centers as planned. The Commission assumes that Qwest will provide Telecordia any additional information that may be needed relative to the consolidation of the Holladay, Kearns, Magna, and Midvale rate centers into one rate center.

Sincerely,

/s/ Julie Orchard
Commission Secretary
